GROW SOLAR
EAST CENTRAL IOWA

MAKE THE SWITCH TO SOLAR ENERGY!

AFFORDABLE ENERGY JUST GOT EASIER

Grow Solar is a group buy program that makes switching to solar energy simpler and more affordable. The program connects homeowners, small businesses and nonprofits in east central Iowa with an opportunity to buy solar from a trusted local installer at a below-market price.

HOW DOES THE PROGRAM WORK?

Learn
Attend a no-obligation presentation in-person or online to learn if solar is right for your property.

Plan
Sign up to receive a free site assessment and project proposal from our installer partner.

Sign & Install
Sign your proposal and work with our installer to schedule your installation.

Grow Solar!
Enjoy clean energy, lower electric bills, and the savings on your system.

FREE EDUCATIONAL SOLAR POWER HOURS

Curious about going solar? Join us for a free, no-pressure presentation near you to learn how it all works, what installation looks like, and get your questions answered.
